# Harmony and Keen

With a legacy spanning 20 years, Harmony and Keen epitomizes a tradition of excellence in crafting bespoke cabinetry. Our journey began with the vision of our founder Mr. Hung Chan, who established our first cabinet company. Our dedication to providing an unmatched experience for our customers is the driving force behind everything we do. We have been a full service provider to builders, remodelers and the general public for nearly 20 years. We take pride in being the only company in the region that designs, manufactures, and wholesales products for contractors and more.

We also provide full product lines for kitchen and bathroom products, such as granite or marble countertops, high-end faucets and other accessories. However, our expertise is not only limited to kitchens and bathrooms. We also provide bespoke services for any space in the house, ranging from offices, closets, family rooms, home offices or mudrooms. Our exquisite craftsmanship elevates every space and gets you one step closer to your dream home. Experience the excellence and quality that you deserve, today.

*Harmony & Keen*

# SHAKER PANEL

## ***TIMELESS CLASSIC***

Originating from the 1800s, this style has been a staple in homes for centuries and will continue to be for hundreds more.

Featuring a recessed center panel, this style focuses more on practicality and efficiency. Simple, crisp, and versatile - the perfect choice for any home or space.

# SLIM SHAKER

## **MODERNIZED CLASSIC**

The classic shaker style panels get a modern facelift. Compatible with any style of kitchen, ranging from traditional to modern, the larger recessed center panel is reminiscent of the flat panel style. Available as a bespoke design option, choose the exact material and color that suits your needs.

AVAILABLE

# FLAT PANEL

## **CONTEMPORARY CHIC**

Embrace ultra modern minimalistic design with a new selection of flat panels. Seamless edges and flush surfaces elevate any space into a centerpiece. These panels achieve a sleek look without sacrificing functionality or aesthetic. Available as a bespoke design option, find the exact material and color that fits your needs.
